Runnin Blind

Elijah Blake

Stay till the morning, stay for the night
Don’t look left, ‘cause it won’t look right
Live in this moment until you die
Heaven’s on the other side

Let’s take a second to take our time
Feel so bored here, in the corner of your mind
I’ll say I’m yours if you say you’re mine
Cover your eyes, take my hand, we’re running blind
