

Sacrifice

Elijah Blake

Ain't got a Newport cigarette
But if I did, I would give it to you
Light a match, let it smoke up the room
What you need? What you want me to do?
I'm not a rich man, baby
But just to see you in the finest jewels
I'd break the bank and all of the rules
If you needed a dollar or two

Tell me
What would you do?
What would you do? Ooh
What would you do for me? 'Cause I would die for you
What would you do for me? 'Cause I would die
What would you do?
What would you do? Ooh
What would you do for me? 'Cause I would die for you
What would you do for me? 'Cause I would die

Yeah
I got enough
Just another spare
Just another spare
Just enough to share from this heart of mine
Mine, mine, mine, mine
I got enough
I've got enough
Just enough to spare
Just enough to spare
If you really care would you sacrifice?
Sacrifice

Tell me
What would you do?
What would you do? Ooh
What would you do for me? 'Cause I would die for you
What would you do for me? 'Cause I would die
What would you do?
What would you do? Ooh
What would you do for me? 'Cause I would die for you
What would you do for me? 'Cause I would die

I would die for you
