

Some Kinda Way

Elijah Blake

I don't need me a big face from it
'Cause I've got time on my hands for you
No, there's not a shade on my face
But I've got a clue for you
Of behind [?]
No, I can't afford to make you stay
I won't spend my nights counting in the days, uuh
This ain't what the friends supposed to share
But oh, you make me feel some kinda way
Oh, you make me feel some kinda way
Oh, you make me feel some kinda way
When you put your hands on me, on me
Oh, you make me feel some kinda way,
Is it love? Thought I don't know if it's love

I don't know what those eyes keep watching
Just look behind, behind what's in front of you
If the [?] got a friend, hold on for me
Oh, baby, darling I, I've got a thing for you
Though I can't afford to make you stay
I won't spend my nights counting in the days, uuh
Usually my thoughts are pack of shares
But oh, you make me feel some kinda way
Oh, you make me feel some kinda way
Oh, you make me feel some kinda way
When you put your hands on me, on me
Oh, you make me feel some kinda way,
Is it love? Thought I don't know if it's love

Said I don't know, do you miss love?
Oh oh oh yeah
I don't need me a big face from it
'Cause I've got time
And I know they'll say what the friends are supposed to say
Damn it, I'm a say it anyway
Damn it, I'm a say it anyway
Damn it, I'm a say it anyway

Oh, you make me feel some kinda way
Oh, you make me feel some kinda way
Oh, you make me feel some kinda way
Baby, oh, you make me feel some kinda way
