

Stingy

Elijah Blake

[Verse 1}

Yeah

I've been on a high, thinkin' 'bout it

Out of my mind without it

Oh

You

I've been on a high, free flyin'

And I'm fallin, fallin', fallin', fallin' over you

Could you let me know, let me know, what did you do?

'Cause I

Get so tired of it

All your flawlessness

Don't know how I could

Get enough

Cross the thin line there's

No rewindin' now

Please don't tell me I've had too much

[Chorus}

Girl

No, no, don't be stingy with your beautiful

(Gotta gimme, gimme a look)

(You gotta, gotta gimme, gimme a look)

And I'm in love

No, no don't be stingy with your beautiful

(Gotta gimme, gimme a look)

(You gotta, gotta gimme, gimme a look)

No, no, no, no, no don't be

Got to, got to, got to give it up, baby

No, no, no, no, no don't be

Got to, got to, got to give it up, whoo

Five in the morning

'Fore the other time keeps runnin'

From me

Forty after five, baby call me

'Cause I'm

Fallin', fallin', fallin', fallin' over you

Could you, let me know, let me know, what did you do?

'Cause I

Get so tired of it

All your flawlessness

Don't know how I could

Get enough

Cross the thin line there's

No rewindin' nww

Please don't tell me I've

Had too much

No, no, no don't be stingy with your beautiful

(Gotta, gotta gimme, gimme a look

(You gotta, gotta gimme, gimme a look)

Oh darling

No, no, no don't be stingy with your beautiful

(Gotta, gotta gimme, gimme a look)
(You gotta, gotta gimme, gimme a look)
No, no, no, no, no don't be (Stingy)
Got to, got to, got to give it up, baby
No, no, no, no, no don't be (Stingy)
Got to, got to, got to gimme give it up
No, no, no, no, no don't be (Stingy)
Got to, got to, got to give it up, baby
No, no, no, no, no don't be (Stingy)
Got to, got to, got to give it up, whoo

I'm holdin' on
So don't you let me go I mean you're beautiful
You've got to give it up to me
I'm holdin' on
Don't you let me go
Next to your beautiful
That's where I wanna be
