

Runnin' that check up four/five nights a week
All of these lights on ice that's water
Whole world waitin' on me just wait
Baby, that's pure that's fire product
Walk that, talk that, pardon my step
Bet he won't switch lil buddy won't tell
One false move might get yo ass slept
Might get ass swept man

Think fast that's why I can't play wit you
That's why I can't link wit you
That's why I can't stay & chill na
Think fast that's why I can't play wit you
That's why I can't link wit you
That's why I can't stay & chill na

Like that? It's like that
Like that? It's like that
It's like that? It's like that
It's like that? It's like that

Too much Vancleef had to switch out in the party
Got my Schtick out in the party
Typa rich you cannot call me, eh?
This is how you do it when you got it man... flooded
Know a real nigga when you spot him yea? Run it

Think fast that's why I can't play wit you
That's why I can't link wit you
That's why I can't stay & chill na
