

MAYDAY

elijah

Somebody save me
I'm going down

Yeah I feel fine, just living the dream
Spending all my time relaxing on the edge of my seat
I never don't mind, but if you're asking me
There's no honesty, because honestly

I haven't been myself that I've known lately (Is this who I am?)
So sick and tired of fucking faking (When I'm breaking down)

Mayday I'm calling
Somebody save me now
Mayday I'm falling
I gotta find a way out

The sinking surrounds me
I scream but I'm drowning
Mayday I'm calling
Somebody save me
I'm going down

I take it all back, just forget what I said
I don't sleep but there's no reason to get up outta bed
It's my last act, but I don't want to admit
I'm lost in my head, stuck in my head

I haven't been myself that I've known lately (Is this who I am?)
So sick and tired of fucking faking (When I'm breaking down)

Mayday I'm calling
Somebody save me now
Mayday I'm falling
I gotta find a way out

The sinking surrounds me
I scream but I'm drowning
Mayday I'm calling
Somebody save me
I'm going down (I'm going down, I'm going down)
I'm going down (I'm going down, I'm going down)

The only thing I know right now
Is there's no happy ending
In my head, I scream so loud
But I swear no one can hear me
The only thing I know right now
Is there's no happy ending
In my head, I scream so loud
But I swear no one can hear me

Mayday I'm calling
Somebody save me now
Mayday I'm falling
I gotta find a way out

The sinking surrounds me

I scream but I'm drowning
Mayday I'm calling
Somebody save me
I'm going down

I'm breaking down
