

Come Round

ELIO

(I hate everything)

You don't need to worry about it
That I don't know my head from my heart
Lately, you've been thinking I might quit, mmm
But you've have me to the end from the start
Well, I know I gotta turn my heart onto something else
And you know that you can't take love
Put it back on the shelf, mmm
But you don't need to worry about it, mmm
And I know that I'm not on my own
But you know if you wanna come talk about it
Ain't nothing else better I'd rather do
So, baby, if you're walking home and need love
There ain't no one better
You wanna come 'round?
See, no, you want no one better
Yeah, there's no one better
You wanna come 'round, mmm

Mmm
Yeah, mmm
Oh, oh, oh
Mmm, mmm, mm-mmm
You wanna come, mmm
Wanna come 'round, baby
Yeah, I know, and I know, and I know, and I know
And I know, and I know you wanna come, mmm
Wanna come, yeah
Wanna come 'round, take me downtown
When you pull 'round, baby, I want, driving me crazy
And I know that you don't like that
Baby, I want you to have my babies
