

# FOR HER

ELIO

I'mma be up front  
Yeah fuck that, we're hanging by a thread  
Imma cut it, I'm done  
Honestly, I don't understand it  
I thought she was the one for me  
Yeah, I ain't playing nice, I don't need advice  
I wanna feel numb  
Maybe I'm done

I've been going all the way for her  
I been up for three fuckin' days laying here alone awake for her  
I'm not on her mind but she knows that I've got time and that I will wait her  
Fuck, I feel insane, but if feelings were to change, I would kill for her  
All the blood that I would spill for her

Mm babe we coulda had it all  
I had your heart but I had to bet on it  
Don't wanna fuck 'cause you might fall  
I'm unique on it, a freak on it  
Maybe I'll want you when you made your way up  
Don't wanna talk but might wanna see you later  
Play hard to get when you wanna beat the player  
Play up  
And I won't wait up for you to realize  
I was the best thing to happen to your life  
Don't wanna pick up the pieces when you're high  
Oh yeah, ooh yeah, oh yeah  
And you got issues, but fuck it, so do I  
I wanna feel like I'm winning by your side  
You wanna come back and say that I never tried  
For ya, for ya, for us

I've been going all the way for her  
I been up for three fuckin' days laying here alone awake for her  
I'm not on her mind but she knows that I've got time and that I will wait her  
Fuck, I feel insane, but if feelings were to change, I would kill for her  
All the blood that I would spill for her

Spilt blood on my hands, too late  
Spilt trust in the wrong damn place  
Spilt love, spilt cups, split drugs  
Split whatever just to justify that smile on her face  
And I know that I'm always late  
New discussion, please don't interrupt, yeah  
And don't rush, and if the rush feels great  
But fuck it, I made promises

I'm going all the way for her  
I been up for three fuckin' days laying here alone awake for her  
I'm not on her mind but she knows that I've got time and that I will wait her  
Fuck, I feel insane, but if feelings were to change, I would kill for her  
All the blood that I would spill for her

I've been going all the way for her

I been up for three fuckin' days laying here alone awake for her  
I'm not on her mind but she knows that I've got time and that I will wait her  
Fuck, I feel insane, but if feelings were to change, I would kill for her  
All the blood that I would spill for her
