

# I Don't Know

ELIO

What do I do?  
Here without you

You were good to me, I was good to you  
We had everything but somehow we lost it  
And now my songs all sound the same and the memories in my brain  
Have I been framed up with a picture of you?

And I don't know what to do with myself no more  
Or all of your clothes scattered on my floor  
All of your thoughts are running through my head  
All of the love we made in this bed

What do I do?  
Here without you  
I don't know  
I don't know

Yeah, I thought we'd move, buy a house that we'd improve  
Thought I'd knew when you'd be blowing candles out at forty-two  
Yeah, I knew everything up until an hour ago  
And now I don't know anything at all  
And you can't catch me when I fall  
But every day I fall back into you

I don't know what to do with myself no more  
All of your clothes are scattered on my floor  
And all of your thoughts are running through my head  
All of the love we made in this bed

What do I do?  
Here without you  
I don't know  
I don't know
