

# SUPERIMPOSE

ELIO

I just want your body  
Superimpose it on me  
Make me your carbon copy  
Feeling like I'm falling for you

Wanna see every side of ya  
3,4,5 am I could go all night with ya  
I know you're gonna lose your head, if I do it like I want to  
Inside voices yeah wanna keep it real quiet with you  
Tight with you  
Cut the lights with you

If you're tryna feel the way I'm feeling we should  
We should get a little closer  
Wanna get a visual tonight I  
Wanna see you in the foreground  
Oh, I know  
That I'm the one you want  
So can we both go home cause I just want

I just want your body  
Superimpose it on me  
Make me your carbon copy  
Feeling like I'm falling for you  
Your features  
Magnetic field between us  
Nothing else makes me weaker  
Feeling like I'm dying for you  
It's like I'm dying for ya  
It's like I'm dying for ya

Just wanna see if you're down for it  
Make me lose control  
Got me feeling more than I admit  
I think you might be good for my health  
Cause you get my heart pumping  
Rising  
I'm all over you, and I like it  
Fine with it  
Yeah, got me in a whole new zone  
Ah

If you're tryna feel the way I'm feeling we should  
We should get a little closer (closer)  
Wanna get a visual tonight I  
Wanna see you in the foreground  
Oh, I know  
That I'm the one you want (I'm the one)  
So can we both go home cause  
I just want

I just want your body  
Superimpose it on me (superimpose it one me)  
Make me your carbon copy  
Feeling like I'm falling for you  
Your features  
Magnetic field between us (between us)

Nothing else makes me weaker  
Feeling like I'm dying for you  
It's like I'm dying for ya

So lets take it all the way  
Yeah, I could be your personal arcade  
Or you could be the ink, I'll be the page  
Cause lately I  
Don't wanna take a break  
Nah, I just wanna your face up in my face  
So lets take it all the way  
Yeah, baby I

I just want your body  
Superimpose it on me  
Make me your carbon copy  
Feeling like I'm falling for you  
Your features  
Magnetic field between us  
Nothing else makes me weaker  
Feeling like I'm dying for you  
It's like I'm dying for ya

So lets take it all the way  
Yeah, I could be your personal arcade  
Or you could be the ink, I'll be the page  
Cause lately I  
Don't wanna take a break (wanna get a visual tonight I)  
Nah, I just wanna your face up in my face (wanna see you in the foreground I  
)  
So lets take it all the way (wonder if we'll go another round I)  
Yeah, baby I (superimpose it on me)
