

## Where You Belong

Elis

Don't weep  
Just see  
Come here  
Call me  
Just follow  
No sorrow  
You're there  
Where you belong  
It's where you belong  
Don't you see  
When memories are gone  
Sent to be free  
Always be aware  
Of your memories  
They do appear when you can't bear  
It's where you belong  
Don't you see  
When memories are gone  
Sent to be free  
Mean and cruel  
They drive you in  
Forget them all  
And you will win  
It's where you belong  
Don't you see  
When memories are gone  
Sent to be free
