

# Let Me

Elisa

And so just let me take a dive into this beautiful complexity  
Embrace each hidden layer  
Every shade in a color  
Every color in a shade  
Redefine the shape  
Borders and edges will both be blown away  
In a whisper  
Ah-ah-ah-ah-ah-ah-ah-ah-ah  
(Ah-ah-ah-ah-ah-ah-ah-ah-ah)  
So, oh Lord, be safe

Let me take command  
At first I came here to plan  
Still wanna play, I take it for a miracle  
But the truth is that's all, all I wanna do  
Take this chance  
Let my soul, my soul dance  
And dance the dance that I was born to dance, yeah  
(Ah-ah-ah-ah-ah-ah-ah-ah-ah) Yeah  
(Ah-ah-ah-ah-ah-ah-ah-ah-ah) Yeah

I salute fear, I'll see it again  
But now I'm letting in freedom  
A life changing guest  
They walk hand in hand with love

Here they come  
Grace by their side  
They proudly walk in  
They proudly walk by  
My silence together with  
My pain and my struggle  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Now I know my mission

I take a hold of my future  
Time is stretching out to eternity  
It is reaching out its hand  
Speaking into me possibilities  
Fear ain't holding me  
When I am living in my destiny  
I can feel it now (Now)

I salute fear, I'll see it again  
But now I'm letting in freedom  
A life changing guest  
They walk hand in hand with love

Here they come

Grace by their side  
They proudly walk in  
They proudly walk by  
My silence together with  
My pain and my struggle  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Nurtured my compassion  
Now I know forgiveness  
Now I know my mission  
Now I know my mission
