

Shout

Elisa

Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on

Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on

Shout, (Tell the tale) shout, let it all out
(Tell the tale) These are the things I can do without
(I hope we live to tell the tale) Come on, I'm talking to you
Come on (Tell the tale)

In violent times
You shouldn't have to sell your soul
In black and white
They really really ought to know

Shout, shout, let it all out
These are the things I can do without
Come on, I'm talking to you, come on

(I hope we live to tell the tale) Shout, shout, let it all out
(I hope we live to tell the tale) These are the things I can do without
(I hope we live to tell the tale) Come on, I'm talking to you
Come on (Tell the tale)
Shout, (Tell the tale) shout, let it all out
(I hope we live to tell the tale) These are the things I can do without
(I hope we live to tell the tale) Come on, I'm talking to you
Come on (Tell the tale)

They gave you life
And in return you gave them hell
As cold as ice
I hope we live to tell the tale

Shout

Shout

(I hope we live to tell the tale) Shout, shout, let it all out
(I hope we live to tell the tale) These are the things I can do without
(I hope we live to tell the tale) Come on, I'm talking to you
Come on (Tell the tale)

(I hope we live to tell the tale) Shout, shout, let it all out
(I hope we live to tell the tale) These are the things I can do without
(I hope we live to tell the tale) Come on, I'm talking to you
(And when you've taken down your guard) Come on

If I could change your mind
I'd really love to break your heart
I said I'd really love to break your heart
Ah ha
