

## Sleeping In Your Hand (Mark Saunders Remix)

Elisa

Now just let me sleep  
I don't wanna talk  
have nothing nice to say  
I'm just sleeping in your hand

don't wake me up too soon  
I don't want to see the world  
I need to be no one  
all I want is just to be

we can be so strange  
we can be so wild  
even when we love  
even when we lie

be conscious of my love

please just let me float  
nothing matters less than time  
my thoughts are so remote  
your hand is open wide

we can be so strange  
we can be so wild  
even when we love  
even when we lie

yes we can be so strange  
we can be so wild  
even when we touch  
even when we die

I'm sleeping in your hand  
I'm sleeping in your hand  
I'm sleeping in your hand  
I'm sleeping in your hand

be conscious of my love  
be conscious of my love
