## **Sleeping In Your Hand**

Now just let me sleep I don't wanna talk have nothing nice to say I'm just sleeping in your hand

don't wake me up too soon
I don't want to see the world
I need to be no one
all I want is just to be

we can be so strange we can be so wild even when we love even when we lie

be conscious of my love be conscious of my love

please just let me float nothing matters less than time my thoughts are so remote your hand is open wide

we can be so strange we can be so wild even when we love even when we lie

yes we can be so strange we can be so wild even when we touch even when we die

I'm sleeping in your hand I'm sleeping in your hand I'm sleeping in your hand I'm sleeping in your hand

sleeping in your hand...
sleeping in your hand...
sleeping in your hand...

be conscious of my love be conscious of my love
