I was watching the leaves,
lost in that world
in that life beneath

somewhere else
oh I came just to visit
'n I don't think i'll stay
any a longer
any a longer...

So I'll see you
some day,
yeah I'll see you
some time,
and
just like you said
one time,
you can go, you can go,
you can go,
I'll be fine
yeah, I'll be fine
you can go, I'll be fine
just fine

Sometime ago
I was watching the leaves
lost in that world, in that life beneath
the blue...
