

Upside Down

Elisa

Some things are hidden in weird lands
just like treasures volcanic bombs
sleepin' in your belly so innocently
and you're their home
on the way down all seems to be bigger
and the way up, it's a funny picture
of me looking like a monster

up up upside down, oh
up up upside down, oh
up up upside down's so lost
up up upside down, oh
up up up...

upon the hill a friendly face
showing up lost in the woods
you don't know who I am
and all I want is to keep on swinging
on my swing never felt so stable
though I'm small and
I don't know many things
but I just love you strangers

up up upside down, oh
up up upside down, oh
up up upside down, oh
up up upside down, oh
up up up...

(it's like one thousand mouths talking to you)
I have to lay down
I have to lay down
I have to lay down
I have to lay down
I have to lay down
I have to lay down

up up upside down, oh
up up upside down, oh
up up upside down, so lost
up up upside down so real
up up upside down, oh
up up upside down, oh yeah
up up upside down, oh
up up upside, is all I am (up up), is all I am (up up)
up up upside down, up up upside down, so lost
up up upside down, so real
up up upside down's so lost
up up upside down, I'm upside down
up up upside down, oh yeah, oh yeah
