

Vortexes

Elisa

I'm all wired up...
I'm in heaven and I...
Can't say what it is
I got caught up...
I'm in wave but just like a fish I'm playing astonished...
Awakened...
As if life was new to me
like a fire relit at last on the morning after
disarmed
while you say I'm the one
disarming you

vortexes
nets and dark wells
they led me to these blue skies
these blue eyes
vortexes nets and dark wells they led me to these blue skies
these blue eyes

we heard the storm... I had sparks in my heart when you said to
me (magnetic): "My sensation beat any storm I have seen"
disarmed...
While I say you're the one disarming me

vortexes
nets and dark wells
they led me to these blue skies
these blue eyes
vortexes nets and dark wells they led me to these blue skies
these blue eyes

I'm all wired up... I'm in heaven and I...
I can't say what it is
I got caught up...into a wave and just like a fish I'm playing.
