

My Last Cry - Peacin' Out

Elise Estrada

(Don't turn around) I'm naked with emotion
My heart's so exposed, my tears pourin' down
From my eyes (don't turn around), I'm naked with the truth
You and me are through, had to find
Somebody else (don't turn around), I'm naked knowing you
Tell me that you love me, when I know your love
(Don't turn around right now) I'm naked knowing what I gotta do

I'm so damn sick of this, time for peacin' out
I'm so damn sick of this, time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
Time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
It's my last cry

Time for peacin' out
I'm so damn sick of this, time for peacin' out
I don't wanna go, I don't wanna stay, but it's time

(Don't turn around) Even though I'd give
Anything for you to come running
Back in my arms (don't turn around), even though I wish
You would say sorry and I could see the truth
In your eyes (don't turn around), even though I'd do
Just about anything to give you
One last kiss (don't turn around right now)
Even though it's tearing me apart

I'm so damn sick of this, time for peacin' out
I'm so damn sick of this, time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
Time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
It's my last cry

Don't know what I'm gonna do
But I'll get over you
Don't know how I'm gonna make it
But I'm gonna make it
Don't know what I'm gonna do
But I'll get over you
Don't know how I'm gonna make it
But I'm gonna make it

I'm so damn sick of this, time for peacin' out
I'm so damn sick of this, time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
Time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
It's my last cry

I'm so damn sick of this, time for peacin' out
I'm so damn sick of this, time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
Time for peacin' out
I don't wanna go, I don't wanna stay, but it's time
It's my last cry
