

Piece Of Me

Elise Estrada

Noticing noticing me
Drooling like a dog in heat
you should never learned to scream
I know you want it bad want a piece of me
I see that you like what you see
Would you like to go up on me
Living out a fantasy
I know you wanted bad want a piece of me

I know what you're wishing from Santa
You want me to peel your banana
But I got that douchebag And it keeps saying later later
And I if you wanna get a girl like me
Boom I'm the one stop staring But it's nice to meet you anyway
My last name is go away first name please I can't

I might be rocking sexy
But it ain't the way that you do me
I know you want a piece of me
But you don't even know me
You might be hell out sexy
But it ain't the way that you do me
I know you want a piece of me
But you gotta get a new me

Tripping tripping on me
Dreaming not guaranteed
From my head to my pretty little feet
I know you wanted bad want a piece of me
But I need a guy more deep
Someone to get inside of me
And get to know the real me
I know you wanted bad want a piece of me

I know what you're wishing from Santa
You want me to peel your banana
But I got that douchebag And it keeps saying later later
And I if you wanna land a chick like me
Boom number two maybe get to know me
I'm not the kind of girl to get it give it up
So take that junk and live it up

I might be rocking sexy
But it ain't the way that you do me
I know you want a piece of me
But you don't even know me
You might be hell out sexy
But it ain't the way that you do me
I know you want a piece of me
But you gotta get a new me

Momma should have taught you that don't work
Cause a good girl don't fall for that Your mom should have taught you that d
on't work
But a girl like me you'll never get a piece of me

I might be rocking sexy

But it ain't the way that you do me
I know you want a piece of me
But you don't even know me
You might be hell out sexy
But it ain't the way that you do me
I know you want a piece of me
But you gotta get a new me

I might be rocking sexy
But it ain't the way that you do me
I know you want a piece of me
But you don't even know me
You might be hell out sexy
But it ain't the way that you do me
I know you want a piece of me
But you gotta get a new me
