

# Into Your System

Elize

Coming out of nowhere  
She will take you somewhere  
You have never been before  
She's attractive and seductive  
She will make you out live  
Everything you dreaming off

Ooohhh, there is nothing you can do  
Ooohhh, she's gonna get you to

She is into your system  
You knowing your heart, she's got it all  
She is into your system  
And you know you're losing control  
Tonight, inside, tonight

Loving is a dancer  
She will be the answer  
Giving you the kick of life  
She will make you feel the burner  
Now your heart is yearning  
Everything you dreaming off

Ooohhh, there is nothing you can do  
Ooohhh, she's gonna get you to

She is into your system  
You knowing your heart, she's got it all  
She is into your system  
And you know you're losing control  
Tonight, inside

She's your trouble inside  
She's your pleasing delight  
You going all way cuz your can't get him off  
She's objective and cool  
She makes you feel like a fool  
She's making the rules for your love

She's in control of your mind and soul (2x)

She is into your system  
You knowing your heart, she's got it all  
She is into your system  
And you know you're losing control  
Tonight, inside

She's your trouble inside  
She's your pleasing the light  
You going all way cuz your can't get him off  
She's objective and cool  
She makes you feel like a fool  
She's making the rules for your love

She is into your system  
You knowing your heart, she's got it all  
She is into your system

And you know you're losing control  
Tonight, inside, tonight (3x)
