

# Rhythm Of Love

Elize

The second of the beat about drum  
Is playing like a bit of a song  
And the feeling keeps calling me  
Like a sweet sound of mystery  
Tell me is the women inside  
I'm going for the love in the live  
And the feeling keeps haunting me  
Like a sweet love at fantasy

Love is blinding  
Like a real  
I want to let go  
I wanna let go

Now listen to the rhythm of love  
And listen to the rhythm inside  
And sounds like my destiny  
Like a sweet love in harmony  
Now listen to the rhythm of love  
And listen to the rhythm inside  
And sounds like a symphony  
From the heartbeat inside of me

Is coming out of the bed tonight  
It's telling me the feeling is right  
And the moonlight inspires me  
Like a sweet touch of mystery

I gotta get into my head  
And I like the women they said  
And the daylight is creating me  
Like a sweet love of symphony

Love is blinding  
Like a real  
I want to let go  
I wanna let go

Now listen to the rhythm of love  
And listen to the rhythm inside  
And sounds like my destiny  
Like a sweet love in harmony  
Now listen to the rhythm of love  
And listen to the rhythm inside  
And sounds like a symphony  
From the heartbeat inside of me

Now listen to the rhythm of love  
And listen to the rhythm inside  
(4x)

Love is blinding  
Like a real  
I want to let go  
I wanna let go

Now listen to the rhythm of love

And listen to the rhythm inside  
And sounds like my destiny  
Like a sweet love in harmony  
Now listen to the rhythm of love  
And listen to the rhythm inside  
And sounds like a symphony  
From the heartbeat inside of me
