

Shake

Elize

He puts the music on (3x)
You, you hit me in my heart
You hit me from the start
You've got me in my heart
Now whenever you're around
You sweep me off the ground
You've got me in my heart
Shake me, move me
Baby now the heat is on
Shake me, move me
I gonna get my beat back
Gonna get my beat back
Shake, he puts the music on
Me heart just goes alone
I'm losing if
I gonna get my beat back (2x)
Now the beating of me heart
Is tearing me apart
You've got me in my heart
Oh, I'm feeling like a fool
I gonna play it cool
You've got me in my heart
Shake me, move me
Baby now the heat is on
Shake me, move me
I gonna get my beat back
Gonna get my beat back
Shake, he puts the music on
Me heart just goes alone
I'm losing if
I gonna get my beat back (2x)
Shake... shake... shake...
I gonna get my beat back
Shake... shake... shake
I gonna get my beat back
Shake..... shake
He put the music on (3x)
Shake me, move me
Baby now the heat is on
Shake me, move me
I gonna get my beat back
Gonna get my beat back
Shake, he puts the music on
Me heart just goes alone
I losing if
I gonna get my beat back (2x)
Shake... shake... shake...
I gonna get my beat back
Shake... shake... shake
I gonna get my beat back
Shake
