

## Do Right Woman Do Right Man

Elkie Brooks

Take me to heart and I'll always love you  
And nobody can make me do wrong  
Take me for granted and I'll tag along  
Makes will power weak and temptation strong

Well a woman is only human  
This you must understand  
She's not just a play thing  
She expects love just like a man

So if you wanna do right  
All day woman  
You gotta be a do right  
All night man

They say that it is a man's world  
But you can't prove that by me  
For as long as we're together baby  
You better show some respect for me

If you wanna do right  
All day woman  
You gotta be a do right  
All night man

You gotta be a do right  
All night man  
You gotta be a do right  
All night man
