

# Fool If You Think It's Over

Elkie Brooks

A dying flame  
You're free again  
Who could love?  
Do that to you?  
All dressed in black  
He won't be coming back  
You save your tears  
Got years and years  
The pains of seventeens  
Unreal they're only dreams  
Save your crying for the day

Fool if you think it's over  
'Cause he said goodbye  
Fool if you think it's over  
Tell you why  
New born eyes always cried with pain  
At the first look at the morning sun  
Fool if you think it's over  
It's just begun

Miss teenage dream  
Such a tragic scene  
He knocked your crown  
And ran away  
First wound of pride  
And how you cried and cried  
You save your tears  
Got years and years

(Fool if you think it's over)

I'll buy you first good wine  
We'll have a real good time  
Save your crying for the day  
That may not come  
But anyone  
Who had to pay  
Would laugh at you and say

Fool if you think it's over  
'Cause he said goodbye  
Fool if you think it's over  
Tell you why  
I'll buy you first good wine  
We'll have a real good time  
Fool if you think it's over  
I'll tell you why  
New born eyes always cried with pain  
At the first look at the morning sun  
Fool if you think it's over  
Just begun

Fool if you think it's over  
Fool if you think it's over  
Fool if you think it's over  
Fool if you think it's over
