

Giving You Hope

Elkie Brooks

Giving you hope
Giving you hope
Giving you hope
Giving you hope

Meeting people keeps you smiling all of the time
Going places where the dream is not only mine
It's never too late to learn how to play
Give it a try, don't hide away
Living and loving, laughing and playing all day

I wanna take you with me, can you leave it a day
Show you where it's at if you'll just see it my way
You can have it, it's all there for free
Nothing special belonging to me
Losing or winning, it's just the beginning you see

Like a bird, spread your wings
If you give it everything
Come and see what I've found
Let's turn your life around now

I've found new joy inside of simple things
I'm looking out instead of in
And if you see through me, at what I am
I'm so at ease

I'm giving you hope
Giving you hope
Giving you hope
Giving you hope

You must agree it can be fun
Enjoy yourself, it can be done
Now you see what I mean
Let's go and find your dream too

I'm giving you hope
Giving you hope
(I wanna take you with me, can you leave it a day)
Giving you hope
(Show you where it's at if you just see it my way)
Giving you hope
(The dream is not only mine)

Now you see what I mean
Let's go and find your dream too
Come and see what I've found
Let's turn your life around
