

I Just Can't Go On

Elkie Brooks

Every morning I wait for the letter that doesn't come
Hear a knock on my door, think into my arms he'll run
I never thought that I would feel this way
But it's real enough, this feeling I have today

I just can't go on without your love
I just can't go on without your love
Though I try so hard to tear myself away
I can't go on without your love
Your love

Every night in my dreams I can hear the telephone
It's your voice on the line saying "darling, I'm coming home"
I awake and the silence starts to hurt my ears
And I realise the reason for my fears

I just can't go on without your love
I just can't go on without your love
Though I try so hard to tear myself away
I can't go on without your love
Your love

I just can't go on without your love
I just can't go on without your love
I just can't go on
I just can't go on
Oh, without your love
I just can't
I just can't go on
Without your love
