

# I'm Gonna Lock My Heart

Elkie Brooks

I'm gonna lock my heart  
And throw away the key  
I'm wise to all those tricks you played on me  
I'm gonna turn my back on love  
Snub the moon above  
Seal all my windows up with tin  
So the love bug can't get in

I'm gonna park my romance along the kerb  
Hang a sign upon my heart  
"Please don't disturb"  
If I never fall in love again  
That's soon enough for me  
I'm gonna lock my heart  
And throw the key

I'm gonna lock my heart  
And throw away the key  
I'm wise to all those tricks you played on me  
I'm gonna turn my back on love  
Snub the moon above  
Seal all my windows up with tin  
So the love bug can't get in

I'm gonna park my romance along the kerb  
Hang a sign upon my heart  
"Please don't disturb"  
If I never fall in love again  
That's soon enough for me  
I'm gonna lock my heart  
And throw the key

And if I never fall in love again  
That's soon enough for me  
I'm gonna lock my heart  
Lock my heart  
Lock my heart  
And throw away the key
