

Long ago, and so far away
I fell in love with you before the second show
Your guitar, it sounds so sweet and clear
But you're not really here
It's just the radio

Don't you remember you told me you loved me baby?
Said you'd be coming back this way again baby
And baby, baby, baby, baby, oh baby
I love you, I really do

Loneliness is such a sad affair
And I can hardly wait to sleep with you again
What to say, to make you come back again?
Come back and play your sad guitar

Don't you remember you told me you loved me baby?
Said you'd be coming back this way again baby
Oh baby, baby, baby, baby, oh baby
I love you, I really do

Oh don't you remember you told me you loved me baby?
Said you'd be coming back this way again baby
Baby, baby, baby, baby, oh baby
I love you, I really do
