

## Too Much Between Us

Elkie Brooks

One day we're gentle  
Next day we're sad  
Discovering the way to make us bleed  
Sometimes regretting  
Sometimes almost glad  
We undermined the fences that we need

How can I give you reasons  
How can I explain  
That after every sunshine  
And even after rain  
There's too much between us, babe

I think you know it anyhow  
There's too much between us, babe  
To get along without you  
I can't go on without your love

You fill my darkness  
You share my light  
Helped me when all others turned away  
Please release my morning  
Please redeem my night  
Share the sweetest moments while we may

Well though the circle's turning  
The centre still remains  
And while the world is changing  
It's we that stay the same

There's too much between us, babe  
I think you know it anyhow  
There's too much between us, babe  
To get along without you  
I can't go on without you now  
I can't go on without your love

“I can't go on without your love— Elkie Brooks
