Viva La Money

Elkie Brooks

Got make them holla Like "ihaa" my lover Just to how you're ready Boogie Make rich cheap nights To get a good price All just fall Somehow I talk my Viva la money Viva la money, money Viva la money Viva la money Viva la money I gotta hot cheap thrill And you pay, feel your needs Even get the set of keel Faith I hate to the heart Make plan too small Can bring the fire Today, today Hey Viva la money Viva la money, money, money Viva la money, money Viva la money Viva la money Viva la money Yeah And they make you feel good But it make you bad And it make you harming But it make you sad And it making you do right But it make you wrong But it's still wheel raw Aware, where you go I talk about Viva la money Viva la money, money Viva la money, money Viva la money

Viva la money Viva la money I talk about Viva la money Viva la money, money Viva la money, money I talk about Viva la money Viva la money, money Viva la money Viva la money
