

You Did Something For Me

Elkie Brooks

You did something for me
You did something for me
You made me real again, made me feel again
Baby, you set me free

Now I wanna do something for you
Something for you, baby
I wanna make you happy too
(Anything you want me to do
I'll do anything that you want me to)

You did something for me
You changed my attitude
You made me smile again,
I got style again Boy,
I'm all gratitude

Now I wanna do
something for you
Something for you, baby
I wanna make you happy too

(Anything you want me to do I'll do anything for you)

You reached out and you touched me somehow
You touched me and now
Old humpty dumpty's together again
Together again

You did something for me
Something you won't regret
You made me whole again,
I got soul again
Boy, I'll never forget
