

You're Gonna Make Me Cry

Elkie Brooks

You're gonna make me cry
You're gonna make me cry
Oh, don't make me cry

You're gonna break my heart
You're gonna break my heart
Oh, please don't break my heart

Love can bring happiness
And love can bring sorrow
Love can be here today
And it'll be gone tomorrow

Oh, oh, oh, don't break my heart
Please, don't break my heart

You're gonna make me cry
You're gonna make me cry
Oh, don't make me cry

I'm gonna leave you alone
That's what I have to do
I've got to leave you alone
Oh, oh, oh, leave you, leave you alone

I'm gonna have to leave you alone
I got to leave you alone
Leave you alone
