

# Hideaway

Ella Eyre

I don't talk about feelings, I don't need distress  
Rolling deep about six feet down, now they're letting rest  
Cos there's some things in me that you don't need to see  
Let it go now, let it go now  
Say I'm cold when I'm freezing but I gotta hide  
I don't know why you need to see all my broken parts  
Cos there's some things I know and it's better you don't  
So let it go now, let it go now

This even millionaire war, don't even know what it's for  
Don't even know but I need it, yeah I need it  
Don't wanna open the door to things that I'm trying to ignore  
Trying to ignore cos it's easy, yeah it's easy, yeah, yeah

I don't talk about feelings, I don't like what they do  
I don't fuck with my demons, I hideaway, hideaway  
I don't talk about feelings, I got too much to lose  
I can't tell you my secrets, I hideaway, hideaway  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings

You wanna talk about feelings, but you don't say a word  
Wanna tear this ceiling down, but you won't do it first  
I hear one row from you, and I've got quite a few  
Let it be right, no it's not right, yeah

This even millionaire war, don't even know what it's for  
Don't even know but I need it, yeah I need it  
Don't wanna open the door to things that I'm trying to ignore  
Trying to ignore cos it's easy, yeah it's easy, yeah, yeah

I don't talk about feelings, I don't like what they do  
I don't fuck with my demons, I hideaway, hideaway  
I don't talk about feelings, I got too much to lose  
I can't tell you my secrets, I hideaway, hideaway  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings

What do you want from me?  
Oh, cos I do my best, do my best  
Grain in my sand, that's him  
I can't do that thing, no

I don't talk about feelings, I don't like what they do  
I don't fuck with my demons, I hideaway, hideaway

I don't talk about feelings, I got too much to lose  
I can't tell you my secrets, I hideaway, hideaway  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings  
Hideaway  
Hideaway  
Hideaway  
I don't talk about feelings  
I don't talk about feelings, I don't like what they do  
I don't fuck with my demons, I hideaway, hideaway  
I don't talk about feelings, I got too much to lose  
I can't tell you my secrets, I hideaway
