Ella Eyre

Now, we don't just clash, we collide, yeah
Oh, two wrongs somehow seem so right, yeah

Oh, ooh when it gets like that
You and me, we don't hold back
Cracks, they gon' show
Fill them with gold

Damn, here we go
Ticking time bomb going off
Bang bang, critical
There, it's alright
Two of us, one of a kind
Bang bang, paradise

Beauty from a beast
Just like Kintsugi, yeah yeah, you and me
Love perfectly imperfect people
Oh oh, don't, don't get scared that we get even, we get even

Oh, ooh when it gets like that
You and me, we don't hold back
Cracks, they gon' show
Fill them with gold

Damn, here we go
Ticking time bomb going off
Bang bang, critical
There, it's alright
Two of us, one of a kind
Bang bang, paradise

Beauty from a beast
Just like Kintsugi, yeah yeah, you and me
Broken harmonies
Sounds like Kintsugi, yeah yeah, symphonies
It's a merry-go, merry-go, merry-go
Merry-go, merry-go, merry-go (Going off, bang, bang bang)
It's a merry-go, merry-go, merry-go (Oh, it's alright, ooh)

Damn, here we go (It's a merry-go)
Ticking time bomb going off
Bang bang, critical (It's a merry-go)
There, it's alright
Two of us, one of a kind
Bang bang, paradise (It's a merry-go)

Merry-go, merry-go, merry-go
It's a merry-go, merry-go, merry-go
