L-O, L-O, L-O-V-E
O-V-E

There's a ghost in my heartbeat
And it knows my pain
Reminding me I should be cautious

Butoh, how my heart aches
To be whole again
Feeling, I can't be ignoring

It's the rollercoaster
I swore I'd never ride again
But I think that I'd like to try
Think that I'd like to

I need that
L-O, L-O, L-O-V
Even though it runs from me
Say L-O, L-O, L-O-V-E
O-V-E
I need that
L-O, L-O, L-O-V
Even though it's hard to keep
Say L-O, L-O, L-O-V-E
O-V-E, yeah, yeah

There's a light in my shadow
And it's blinding me
Reflecting the person I could be

There's a voice in my nightmares
And it disagrees
Saying, "It's not like the movies, now"

It's the rollercoaster
I swore I'd never ride again
But I think that I'd like to try
Think that I'd like to

I need that
L-O, L-O, L-O-V
Even though it runs from me
Say L-O, L-O, L-O-V-E
O-V-E
I need that
L-O, L-O, L-O-V
Even though it's hard to keep
Say L-O, L-O, L-O-V-E
O-V-E, yeah, yeah

Lowkey, I need some attention
On me, yeah
Lowkey, I need that connection
S'all I need, yeah

I need that

L-O, L-O, L-O-V
Even though it runs from me
Say L-O, L-O, L-O-V-E
O-V-E
I need that
L-O, L-O, L-O-V
Even though it's hard to keep
Say L-O, L-O, L-O-V-E
O-V-E

I need that
L-O, L-O, L-O-V
Even though it runs from me
Say L-O, L-O, L-O-V-E
O-V-E
I need that
L-O, L-O, L-O-V
Even though it's hard to keep
Say L-O, L-O, L-O-V-E
O-V-E, yeah, yeah
