

# Waiting All Night

Ella Eyre

I've been waiting all night for you to tell me what you want  
Tell me, tell me that you need me  
I've been waiting all night for you to  
tell me what you want me  
I've been waiting all night for you to tell me what you want  
Tell me, tell me that you need me  
I've been waiting all night for you to  
tell me what you want me

I've been waiting all night for you to tell me  
Tell me that you need me  
Tell me that you want me  
I've been waiting all night for you to tell me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Oh!  
Uh, yeah...

I've been waiting all night for you to tell me what you want  
Tell me, tell me that you need me  
I've been waiting all night for you to  
tell me what you want me  
I've been waiting all night for you to tell me  
tell me that you need me  
tell me that you

Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Tell me that you need me  
Tell me that you want me  
Oh!  
Uh, yeah...

I've been waiting all night for you to tell me what you want  
Tell me, tell me that you need me  
I've been waiting all night for you to

I've been waiting all night for you to tell me what you want  
Tell me, tell me that you need me  
I've been waiting all night for you to
