

## Can Anyone Explain?

Ella Fitzgerald

Can anyone explain the thrill of a kiss  
No, no, no  
But when two eager lips are pressed against yours  
You'll know, yes, you'll know

Can anyone explain the glow of romance  
No, no, no  
But when you hear the phrase, it's you I adore  
You'll know, yes, you'll know

And you will find, to give love a start  
Don't think with your mind, just feel with your heart

Can anyone explain the wonder of love  
No, no, no  
But now that you and I are sharing a sigh  
We know, yes, we know

Say, pop's, ohh, pop's, put that horn down and listen  
I wanna ask you a question  
What's buggin' you, baby?  
Well, Have you ever been in love?  
Are you some? I've been in love four times but tell me

Can anyone explain the thrill of a kiss  
No, no, no  
But when two eager lips are pressed against yours  
Then you'll know, yes, you'll know, I [Incomprehensible]

Can anyone explain the glow of romance  
No, no, no  
But when you hear the phrase, it's you I adore  
Then you'll know, yes, you'll know, honey

And you will find, to give love a start  
Don't think with your mind, just feel with your heart

Can anyone explain the wonder of love  
No, no, no, tell me more, baby  
But now that you and I are sharing a sigh  
We know, you can't miss it, yes, yes, we know
