

Foolish Tears

Ella Fitzgerald

Foolish tears, stop falling, please do
You're breaking my heart in two

Foolish tears, oh foolish tears stop falling (stop falling)
You know you can't bring him back to me
Foolish tears, why do you keep recalling (recalling)
The days in the happy used-to-be?

He never could believe I really love him
He knows I wasn't true to him before
Foolish tears, why go on thinking of him?
You know we're not wanted any more

Foolish tears, why do you dim my vision?
You're causing my heart to brak in two
He's already made his own decision
And no-one should know it more than you

Why do you keep reminding me about him?
Must I go on remembering through the years?
Can't you see we must live on without him?
Please help me forget him, foolish tears

Foolish tears, stop falling, please do
You're breaking my heart in two
