I'll Never Be the Same

Ella Fitzgerald

I'll never be the same Stars have lost their meaning for me I'll never be the same Nothing's what it once used to be

And when the song birds that sing Tell me it's spring I can't believe their song Once love was king but kings can be wrong

I'll never be the same There is such an ache in my heart Never be the same Since we're apart

Though there's a lot that a smile may hide I know down deep inside I'll never be the same Never be the same again

And when the song birds that sing Tell me it's spring I can't believe their song Once love was king but kings can be wrong

I'll never be the same There is such an ache in my heart Never be the same Since we're apart

Though there's a lot that a smile may hide I know down deep inside I'll never be the same Never be the same again, again My heart will never be the same again, again
