I Never Had a Chance

Ella Fitzgerald

I guess there's nothing to do And nothing to say, But simply go on my way And call it a day.

I guess I'm ready to go Right back on the shelf, Because at last I've learned Where you're concerned, I've just been fooling myself.

I never had a chance, I thought you cared for me, But now I see I never had a chance. I never had a chance. Though you never told me so, Somehow I know I never had a chance.

I knew we'd have to part, For I could always reach your lips But I could never reach your heart. My dream about romance Ended in a friendly chat. But more than that, I never had a chance.

I never had a chance, I thought you cared for me, But now I see I never had a chance. I never had a chance. Though you never told me so, Somehow I know I never had a chance.

I knew we'd have to part, For I could always reach your lips But I could never reach your heart. My dream about romance Ended in a friendly chat. But more than that, I never had a chance.
