What Is There To Say

Ella Fitzgerald

What is there to say and what is there to do The dream I've been seeking has practically speaking come true

What is there to say and how will I pull through I knew in a moment contentment and wholement, just you

You are so lovable So livable Your beauty is just unforgivable You're made to marvel at and words to that effect

So what is there to say and what is there to do My heart's in a deadlock I'd even face wedlock with you

You are so lovable So livable Your beauty is just unforgivable You're made to marvel at and words to that effect

So what is there to say and what is there to do my heart's in a deadlock I'd even face wedlock with you
