

Hurricane

Ella Henderson

Mmhmm

I want you to hold on, I want you to stay
A million words I don't know how to say
I'm lookin' for shelter in my house of cards
Oh, I'm lettin' down my guard

I'm countin' one, two, three, four, five
Hope we gonna be alright
Don't know where our feelings hide
Someone, please just shine a light

You're spinnin' through my mind like a hurricane
Callin' out your name in the heavy rain
Blowin' through my mind like a hurricane
I'm losin' my faith in the heavy rain (Oh)

(Oh)
You're blowin' through my mind like a hurricane

Won't beg you to call back 'cause there's no rewind
I'm askin' myself, will our stars re-align
You said I should move on and keep out the ghosts
Get out of this danger zone

I'm countin' one, two, three, four, five
Hope we gonna be alright (Be alright, be alright)
Don't know where our feelings hide
Someone, please just shine a light

You're spinnin' through my mind like a hurricane
Callin' out your name in the heavy rain
Blowin' through my mind like a hurricane
I'm losin' my faith in the heavy rain (Oh)

Oh
Hey
You're blowin' through my mind like a hurricane

Blowin' through my mind like a hurricane
Oh-oh, oh-oh
Blowin' through my mind like a hurricane
Blowin' through my mind like a hurricane
