

Lifeline

Ella Henderson

I'll be your lifeline
I'll be your ride or die
Baby believe me
I'll be there if you need me

Looking at me like you seen a ghost
Down on your knees, you're losing control, oh
Thinking that you could use someone close
Baby believe me, I'll be there if you need me

When you're down in the dumps and you're needing a friend
Just call on my name, yeah call on me babe
I will come pick you up, I'll be your SOS
So darling, don't forget

I'll be your lifeline
I'll be your ride or die
Baby believe me
I'll be there if you need me
I'll be your lifeline
The one you can call at night
Baby believe me
I'll be there if you need me

I'll be there if you need me
Baby believe me, I'll be there if you need me

When you alone and you feel afraid
I'll be the road that helps you escape
I'll take the wheel, that's the deal
Baby believe me, I'll be there if you need me

I'll be your lifeline
I'll be your ride or die
Baby believe me
I'll be there if you need me
I'll be your lifeline
The one you can call at night
Baby believe me
I'll be there if you need me

I'll be there if you need me
Baby believe me, I'll be there if you need me

I see the [?] three-six-five
Call on me, call on me, call me when you need babe
I know your head's a mess, I hear your SOS
Call on me and I'll be right there

I'll be your lifeline
I'll be your ride or die
Baby believe me
I'll be there if you need me
I'll be your lifeline
The one you can call at night
Baby believe me
I'll be there if you need me

Oh I'll be your lifeline
The one you can call at night
Yeah I'll be your lifeline
I'll be there if you need me
