

# This Is Real

Ella Henderson

(What you, what you gon' do?)

Got vertigo, falling down  
'Cause you're going to my head  
Cannot recognise the sound of my own heart calling

I found somewhere, I found someone  
And I found somewhere, somewhere that I belong  
Belong, belong

This is real  
And you been right here all along  
This is real  
And I could never get enough

And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up  
And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up  
Oh yeah

Oh, the energy's runnin' high  
Resisting my own defence  
This vision is our design  
Oh, the energy's running

I found somewhere, I found someone  
And I found somewhere, somewhere that I belong  
I found somewhere, I found someone  
I found somewhere, somewhere that I belong  
Belong, belong

This is real  
And you been right here all along  
This is real  
And I could never get enough

And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up  
And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up

(Never gonna give, never gonna give)  
(Never gonna give, never gonna give you)

(Never gonna give, never gonna give)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give you)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give)

This is real  
And you been right here all along  
This is real  
And I could never get enough

And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up  
And I'll be holdin' on, holdin' on  
And you'll be the somebody who can give me love, give me love  
Never gonna give you up

(Never gonna give, never gonna give)  
(Never gonna give, never gonna give you)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give)  
(Never gonna give, never gonna give you)  
(Never gonna give, never gonna give)  
(Never gonna give)
