

[Verse 1]

I still remember you movin' in
My mama sayin' we're crazy cuz we're way too young
I thought forever was happenin'
But what happens now when i think of us
Is i feel stupid i feel cheap
Everyone knew it everyone but me

[Chorus]

I should've seen right through
That shade of green in your eyes
I should've known it was true
That everything was a lie
Lookin' back at what we were
It's kind of funny honey
Love is blind and hindsight's 20/20
Love is blind and hindsight's 20/20

[Verse 2]

I fell for someone i thought you were
Tunnel vision for something we were never meant to be
Can't even tell you what's hurtin' worse
The fact that i fooled myself or you made a fool of me yeah

[Chorus]

I should've seen right through
That shade of green in your eyes
I should've known it was true
That everything was a lie
Lookin' back at what we were
It's kind of funny honey
Love is blind and hindsight's 20/20

[Chorus]

Instead of pullin' you in
I should've pushed you away
I could've opened my eyes
Yeah well that's easy to say
Damnit i went all in
All in for nothin' honey
Love is blind and hindsight's 20/20
Love is blind and hindsight's 20/20

[Bridge]

I feel stupid i feel cheap
Everyone knew it everyone but me

[Chorus]

I should've seen right through
That shade of green in your eyes
I should've known it was true
That everything was a lie
Lookin' back at what we were
It's kind of funny honey
Love is blind and hindsight's 20/20

[Chorus]

Instead of pullin' you in
I should've pushed you away
I could've opened my eyes
Yeah well that's easy to say
Damn it i went all in
All in for nothin' honey
Love is blind and hindsight's 20/20

[Outro]

Love is blind and hindsight's 20/20
Love is blind and hindsight's 20/20
Love is blind and hindsight's 20/20
