

That's Why We Fight

Ella Langley

You know it pisses me off
When it's 3 a.m. and you come home drunk from the bar
And I know you hate
When my phone lights up from an ex, and you get left in the dark

I drive you crazy, you drive me out my mind
But baby, we do one thing right

That's why we fight, put lightning in the sky
Start smashing every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Mm, that's why we fight
Yeah, that's why we fight

We know we don't work
If som' don't break and somebody don't slam a door
Ain't like we ain't tried to kiss and apologize
Nah, that ain't our style, we ain't good at playing nice anymore

That's why we fight, put lightning in the sky
Start smashing every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Oh, that's why we-

That's why we fight
Yeah, that's why we fight

I drive you crazy, you drive me out my mind
But baby, we do one thing right

That's why we fight, put lightning in the sky
Start smashing every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Mm, that's why we fight
Yeah, that's why we fight
