

First Day

Ella Mai

When you're busy
I be waiting on that call to say you miss me
For you I'm getting pretty
Never lose its touch, I blush
Baby, I still got it bad

Ooh, fine shit
Daydreaming 'bout the things we do in private (Private, private)
I swear your touch is mightiest
All this time
And I'm still loving what we have

No, it won't stop
Ain't a phase
I'm fucking with you
365 days
Baby, you been 'bout me since the day we met
That's why I linked you once and never left

Yeah, I'm just as pressed
Obsessed
I'm on your body
Ooh, bae, you do it the best
I'll scream and shout it
Nothing's changed
There ain't nothing 'bout this fake

So never lose faith
Don't ever doubt it
You still my taste
I'm still about it
Know we ain't perfect
But make no mistake
I still love you like the first day

Hey, yeah, yeah
Hey, yeah, yeah
Hey, yeah, yeah
I still love you in the worst way, yeah
Hey, yeah, yeah, yeah
Hey, yeah, yeah, yeah
Hey, yeah, yeah
Oh, I still love you like the first day

Boy, I still remember the first time
Replays over in my mind
I still feel you on my body
With both of your arms around me
Like we known this shit forever
I'm invested
Oh, I'm locked in
Shit can get tough
But with you I'm still my softest
First thing you see when you wake up
The last at night
Oh, I'm still hanging on for dear life
You're mine

All mine

No, it won't stop
Ain't a phase
I'm fucking with you
365 days
Baby, you been 'bout me since the day we met
That's why I linked you once and never left
Yeah, I'm just as pressed
Obsessed
I'm on your body
Ooh, bae, you do it the best
I'll scream and shout it
Nothing's changed
There ain't nothing 'bout this fake, oh

So never lose faith
Don't ever doubt it (Don't you ever doubt it)
You still my taste
I'm still about it (Still about ya)
Know we ain't perfect
But make no mistake
I still love you like the first day

Hey, yeah, yeah (Yeah, yeah)
Hey, yeah, yeah (Yeah, yeah)
Hey, yeah, yeah
I still love you in the worst way, yeah
Hey, yeah, yeah, yeah (Yeah, yeah, yeah)
Hey, yeah, yeah, yeah (Yeah, yeah, yeah)
Hey, yeah, yeah
Oh, I still love you like the first day
Baby
