

Nobody Else

Ella Mai

Got that exclusive for you
Ain't nothing conclusive 'round here
Cause you know I got you right where you need to be
Boy let me put it on you
It don't get no better, I promise
Let's cherish this moment, you have been chosen, fuck what she wanted

You ain't allowed
To fuck with nobody else
You ain't allowed
To fuck with nobody else
Cause what we got right here ain't nobody gonna understand, no
no
But you still ain't allowed
To fuck with nobody else

Always loyal from the instant that you walked my way
Always down for whatever, I got you baby
I got you fiending for me
It's really appealing to me
[?] that I reveal it [?]
Cause you ain't allowed

You ain't allowed
To fuck with nobody else
You ain't allowed
To fuck with nobody else
Cause what we got right here ain't nobody gonna understand, no
no
But you still ain't allowed
To fuck with nobody else

Are you even listening?
I don't know about you but I really don't have time to waste
It's simple
It's my way or no way
