

# This Is

Ella Mai

This is

Just wanna love you for my whole life  
Do it for ya, I'ma make time  
I wanna kick it until midnight  
Just to be with you till the sunrise  
I think you're making me crazy  
Put my heart upon the main line, I  
Got this trust for you  
Got it 'cause I know what you like (I love ya)

Good and bad, thick and thin, flaws and all  
And if ya ever in the wrong, I'll let you know  
Yeah, I know that love is unpredictable  
But I'm pretty damn sure that

This is

The kinda love that keeps me up all night  
This is  
What I wanna do for the rest of my life  
This is  
Something that can get every bit of my time  
This is  
What they call real love, real love, real love

You saw my halo (Halo)  
Even on days when you should hate most (Hate most)  
Laid up, I'm stuck with you (Like glue)  
So tell me 'bout it, how'd ya day go? (I want you)  
Kissing on me  
Missing on me  
Every time I see you, got them feelings on me (So I'm)  
Kissing on you (And you)  
Loving on me  
Yeah, I won't play with your heart (I love ya)

Good and bad, thick and thin, flaws and all  
And if ya ever in the wrong, I'll let you know  
Yeah, I know that love is unpredictable  
But I'm pretty damn sure that

This is

The kinda love that keeps me up all night  
This is  
What I wanna do for the rest of my life  
This is  
Something that can get every bit of my time  
This is  
What they call real love, real love, real love

Oh, I know that you told me as long as you hold me, I couldn't be safer  
Oh, love me for the real me  
Don't know what your deal is, but I'm with you till  
Daylight, daylight, daylight  
Till the sun comes up  
Dancing in the moonlight, moonlight, moonlight  
This forever, this forever

This is  
The kinda love that keeps me up all night (Kinda love that keeps me up all night)  
This is  
What I wanna do for the rest of my life (For the rest of my life)  
This is  
Something that can get every bit of my time (Every bit of my time)  
This is  
What they call real love, real love, real love

This is, this is
